On September 2, 2025, Chesapeake Utilities Corporation (“Chesapeake” or the “Company”) filed with the Commission an application (the “Application”) pursuant to 26 *Del. C.* §§303(b), 304, and 306 seeking to change its Gas Sales Service (“GSR”) Rates. Under the Company’s proposal, an average RS-2 customer using 700 Ccf per year would experience an annual increase of approximately 18.64%, or \$16.51 per month. During the winter heating season,

a typical RS-2 customer using 120 Ccf per winter month would experience an increase of approximately 21.14%, or \$33.96 per winter month.

In March of 2026, Chesapeake proposed further changes to its GSR rates to address a large under-collection balance, in accordance with its approved tariff. Under those proposed rates, a residential customer would experience an additional increase of approximately \$2.46 per month (or 4.24%) for the remainder of the GSR period. By Order Nos. 10825 and 10992 dated October 15, 2025 and March 25, 2026, respectively, the Commission permitted the proposed rates to become effective with usage on and after November 1, 2025 and April 1, 2026, as follows:

<b>Rate Schedule</b>	<b>GSR Rate effective November 1, 2025 to March 30, 2026</b>	<b>GSR Rate effective April 1, 2026</b>
RES, RES-1 EXP, RES-2 EXP, RES-USA, GS-1, GS-1 EXP, GS-1 USA, GS-2, GS-2 EXP, GS-2 USA, GS-3	\$1.19752 per Therm	\$1.29752 per Therm
GS-HLFS	\$1.00116 per Therm	\$1.07949 per Therm

The rates were approved on a temporary basis, subject to refund, and pending the Commission’s final decision after evidentiary hearings and any other proceedings that may be necessary.

The Company has also proposed the following balancing charges for its firm and interruptible commercial transportation customers:

<b>Rate Schedule</b>	<b>Balancing Charge</b>
GTS-1, GTS-1 EXP, GTS-1 USA	\$0.15477 per Therm
GTS-2, GTS-2 EXP, GTS-2 USA	\$0.23602 per Therm
GTS-3	\$0.18862 per Therm
GS-HLFTS	\$0.02418 per Therm

The Commission will conduct an evidentiary hearing on the Application as set forth above. Evidentiary hearings are conducted to formally introduce evidence into the record and to make

available for cross-examination the parties' witness testimony, including testimony that may be offered with respect to any settlement agreement that may be reached by the parties prior to the hearing. The Commission's final decision will be based on the evidence presented at the evidentiary hearing.

Only those persons or entities who are parties or were granted intervention in this docket will be allowed to present witnesses, conduct cross-examination, or introduce evidence at the evidentiary hearing. Members of the public are welcome to attend the evidentiary hearing as observers.
